

TroCare Protect

Complete peace of mind for the lifetime of your laser

Total peace of mind

Let's face it. Your laser isn't going to need service when business is slow. And if it does break down, can you afford to wait in line for a service appointment? With TroCare Protect, you won't need to.

Program details

- Complete cost of ownership package
- Parts and labor (excluding consumables)
- Travel (within 150 miles of a service center)
- Installation and training
- Application tuning
- One preventative maintenance visit every year
- Priority remote support (within 4 hours)
- 72-hour onsite guarantee If deemed necessary by technical experts
- Coverage on new machines or existing systems up to 7 years old

How is TroCare Protect different from our standard warranty?
